

Declaration of No Objection

Regulation EC No. 1907/2006 (REACH Regulation)

Our products represent neither a material nor a preparation in terms of Article 3 of the EC Regulation No. 1907/2006. Without exception, this concerns products from which, in case of intended use, a release of substances in terms of Article 7 of Regulation EC No. 1907/2006 is not intended.

As a downstream user, we declare that we fulfil all requirements of Regulation EC No. 1907/2006 for our products within the aforementioned product groups.

Directive 2011/65/EU (RoHS)

We declare that the requirements of the RoHS Directive "on the limitation of the use of specific hazardous substances" are fulfilled. This applies to all products in the aforementioned product groups and thus extends beyond the electric and electronic devices defined in the RoHS Directive.

Regulation (EU) No. 305/2011 (Construction Products Regulation - BauPVO)

In accordance with Article 6 / Paragraph 5 of the Regulation (EU) No. 305/2011, together with the performance declaration for the relevant construction product, supplementary information on hazardous substances must be furnished in accordance with Articles 31 and 33 of the Regulation EC No. 1907/2006 (REACH).

We declare that the application of our products in the above defined product groups does not incur the obligation to provide information in accordance with of the aforementioned article 33.
