Position in short text:	1 - 3	4	5 - 9	10	11 - 13	14	15 - 16	17 - 19	20 - 21	22 - 23	24 - 25	26	27 - 29	30	31 - 32	33 - 34	35 - 38	39 - 40
	Assembly	Blank space	Item number	Casing form	Angle of tilt	Dash	Direction	Sash weight	Stamp	Airgap	SKG marking	Dash	Overlap	Dash	Pivot	Surface	VE (sales unit)	Special design if necessary
	TBV		RT700	A	105	-	OR	120	SI	16	-	-	--	-	14	TS	C001	

TBV = concealed door hinge
TBX = door hinge accessories

TS700 = door hinge set series 700
FT700 = sash part series 700
RT700 = frame part series 700
KT700 = clamping piece series 700
AK700 = cover cap series 700
BS001 = limit stay
MFxxx = centre lock sash part adjustable
MRxxx = centre lock frame part adjustable
KU750 = cable transfer series 750
ZFxxx = sash accessories
ZRxxx = frame accessories
ZUxxx = accessories series xxx or overlapping

A = rounded
K = angular
F = rounded sash part, angular frame part
R = rounded frame part, angular sash part

xxx = angle of tilt in degrees

OR = suitable for DIN right and DIN left
LS = suitable only for DIN left
RS = suitable only for DIN right

xxx = max. permissible sash weight in kg

SI = SI stamp

Special design = -S

1 piece in plastic bag = P001
1 piece in carton = C001
10 piece in carton = C010
24 piece in carton = C024
50 piece in carton = C050
100 piece in carton = C100

Titanium silver = TS
Black PVC = 87
Dusty grey RAL 7037 = S1
RAL 9006 white aluminium coated = V2
not relevant = XX

Pivot in mm = xx

Overlap in mm = xxx

SKG 1 star = S1
SKG 2 star = S2
SKG 3 star = S3

suitable for xx mm airgap = xx
